Presidents Message

Where has the year gone? It's nearly Christmas again and another terrific year is quickly drawing to a conclusion.

The past year has seen us enjoy a number of family restaurant outings, a presentation by the Water Police, a talk on saltwater fly fishing by Peter Morse, a talk on soft plastics by Wayne Freebie and a visit by a few tackle resellers trying to tempt us with their toys.

We finally had the floors polished, we now have new Club gear, we were invited to the JV Marine VIP night, we have hosted 4 boat licence days and a few lucky one's had the great pleasure of experiencing Conway and Sandra Knight's wonderful hospitality down at Portsea.

We had successful trips to Bemm River, Lake Tyers, Khancoban and Jindabyne where most members caught a few fish but all enjoyed the companionship and camaraderie of good friends and tall tales of the ones that got away. We also thoroughly enjoyed hearing the wonderful tales of the expeditions some of our more adventurous members took on. Looking at the photos of the majestic coastline and outback landscape of Australia makes you want to jump in the car and head off on similar adventures in our magnificent country. The tales of the fantastic fishing in Canada also made the heart beat a bit faster along with the constant stream of photos from Brian Bam and his fishing exploits on Christmas Island.

The final function for the Club this year will be the Christmas Party on Friday 1 December. The Committee invites all members to come along with their family and friends to make the evening a great ending to the year. The function is free and the Club will be providing food and drinks for all attendees. Santa will be attending, so please bring along a present that he can give to your children under the Christmas tree.
